Pakistani Church Planting

PRAY

- For the families we reach with the gospel that God would open their hearts.
- That God would give us peace, rest and strength as Church planters.
- That God would enable us to discern right people for the leadership team.
- For protection from the onslaught of the enemy.
- For people would eager to identify and use their spiritual gifts.
- That God would help us to find a new facility for our Sunday services.
- That for the survival of VLC.

PRAISE

- For the Successful Launch of VLC that is the first Pakistani BMA Church in Atlanta, GA.
- That within our very limited resources VLC decided to support BMA missionary in Georgia.
- That our immigration things got cleared and we have become permanent resident of United states (Green Card Holder).
